

Nouka Minsyuku Hyousa

In the Imajo district of Fukui Prefecture, which is located almost in the center of Japan, rich and beautiful nature still remains. The clear streams flowing slowly and the satoyama are a tranquil setting that could be called the original landscape of Japan. At the farmer's lodge "Hyousa," you can experience, feel, and taste the bounty of nature, and have a Japanese homestay experience. We invite you to feel the blessings of the four seasons and spend a moment of mindfulness.
